

AS A FLIGHT ATTENDANT, I MUST TELL YOU THAT ALLOWING THE USE OF CELL PHONES DURING A FLIGHT WOULD CAUSE EVEN MORE TENSION THAN EVER, ADDING TO THE TENSION OF DELAYS, CRAMPED SPACE, LACK OF FOOD, AND FATIGUE. THE MOST IMPORTANT FACTOR, HOWEVER, IS SAFETY, AS CONSIDERING HUMAN NATURE, IN AN EMERGENCY THE FIRST THING PASSENGERS WOULD DO WOULD BE TO PICK UP THEIR PHONE. FLIGHT ATTENDANTS WOULD THEN LOSE ALL POSSIBILITY OF THEIR ATTENTION AND COOPERATION. THIS IS TOTALLY UNNECCESARY AND DANGEROUS FOR US AND OUR PASSENGERS. THANKYOU, SABRE METCALF
